Certificate Reflection Questions

Thank you for attending *Session 7: Improving Outcomes: Essential Evaluation and Quality Improvement Tools* on November 29, 2021. If you were not able to attend or would like to review the webinar again you can do so [here](#) (password: cfoelead2).

Below you will find the reflection questions for this session. We hope these questions provide an opportunity for you to digest the information you received in the webinar, and to put the ideas into practice. If you have any questions, please contact us at webinars@cfoe.ca

Session 7: Reflection Questions:

1. Identify a program you would like to evaluate
2. Complete the Basic Program Description template in your workbook
3. Complete the Evaluation Matrix for one evaluation question – no need to get into too much detail

Submission Instructions:

Please submit your responses to these questions as a word or pdf.

Email to: webinars@cfoe.ca

Email subject AND File name: YourNameSession7

Due date: January 24, 2021

After you submit your response you will receive a confirmation email. The person who led the webinar will be the one to review the reflection questions on a Pass/Fail/Resubmit format. They will also provide brief comments on your response. It is our goal to provide feedback before the next reflection is due.
